

LVPC Sunday School Calendar

Sunday School starts: September 11th.

Family Worship Sundays:

Some Sundays throughout the year we have planned times for the kids to join us in worship. We want the kids to be familiar with the rhythm and form of worship and to be involved in our community as we worship together. We will invite them to participate in worship by offering hands-on activities in the front pews as we did this summer. During the sermon the kids created murals related to the scripture (as best they could) using different mediums each week...paint, crayons, colored pencils, etc. They also used clay. All of this was in order to invite them to engage in worship. The following are the dates we plan to do this:

October 2nd
November 13th
November 27th
December 18th

Christmas Day
New Years Day
February 19th
March 4th

April 8th
May 6th
June 3rd

Advent Workshop:

Every year our church family gets together to prepare for Advent by sharing a meal together, putting a family Advent wreath together, and usually do a fun activity together. This helps us to get into the frame of mind that Advent encourages. Please plan on bringing a dish to share as we will have a late lunch together right at the beginning of the workshop. All ages of our church family are invited!

November 20th 1:00-3:00 (Please note that there is Christmas Play practice before the Workshop)

Christmas Play Practices:

Last year we had a great time putting together a Christmas play where we sang songs, memorized lines (if the child wanted to), and had a set! We all had so much fun! The play is open to all ages, so please don't hesitate to get your children involved. Practices will mostly be on Sundays from 11:30-1:00 after Coffee & Conversation. We will make sure there will be some heavy snacks on those days to carry kids through until the end of practice.

November 13th & 20th (Please note that there will be an Advent Workshop right after practice on the 20th)

December 4th & 11th

December 17th, Saturday 10-1 Dress Rehearsal including lunch

December 18th Christmas Play performed in Worship at 10:00

Ash Wednesday:

This service offers an opportunity for kids to mark the beginning of the Lenten Season, as we look forward to the hope of Easter. It's kid-friendly and gives kids a chance to ask questions, which furthers faith development.

The evening of Wednesday, February 22nd (more details will follow)

Maundy Thursday:

This service commemorates the Last Supper before Jesus' arrest. Many times kids miss out on the whole story of Easter because all they see is the celebration of Easter Sunday. This service shows the bigger picture. This is a very mellow service where we share communion together around tables in the Parish Hall as well.

Summer Celebration Picnic: June 10th

Summer Sundays:

During the summer we will have opportunities for kids to participate in worship as we have during the Family Worship Sundays. We hope to see you as we continue worshipping together this summer!
